

Michael Surveying & Mapping P.C.

Professionalism ■ Technology ■ Integrity ■ Performance

Who We Are

Michael Surveying and Mapping P.C. is a Newport News Virginia based small business that provides professional surveying and mapping services to:

- Architects
- Attorneys
- Consulting Engineers
- Commercial and Residential Developers
- Government- Federal and State
- Municipalities
- Utilities- Public and Private

The principal, Paul W. Michael Jr., V.A Licensed Surveyor (LS) and N.C. Licensed Professional Land Surveyor (PLS), has over 25 years of land surveying presence in both states.

What We Believe

As our company grows and evolves, our foundation always remains constant. We are committed to earning the opportunity and loyalty of our clients and customers by creating value. We believe that value stems from our core business principles.

That is why it is our mission to be known for our: professionalism, technology, integrity, and performance.

As a cohesive team, we deliver value to each organization we come in contact with by exemplifying professionalism, utilizing the latest technology, presenting outstanding quality with consistent project turn around and above all acting with absolute integrity.

We are the firm with large company capabilities but small business flexibility.
